

- 1) Once you click on the link, you will be sent to this page below:
- If you are a 1st Time User, you must click on the “Register for online access”. You then will be required to enter in your Wireless Cell Phone Number to continue. You must then enter in your 5 Digit Billing Zip Code OR the Last 4 Digits of you Social Security Number. Then click on NEXT. You will then be required to Enter a New Password and then Re-Enter the New Password. Passwords need to be at least 6 characters long and contain at least 1 number. Once this is completed, click on “Update Password.”

A screenshot of a web page for updating a password. The page has a white background with a blue border. At the top, it says "American Broadband" in a light blue font. Below that, a red instruction reads "Please enter and confirm your password below". There are two input fields: the first is labeled "Enter New Password" and the second is labeled "Re-enter New Password". Below the fields, a note states "Passwords must be at least 6 characters long and contain at least one number." At the bottom, there is a blue button with the text "Update password" in white.

- If you are NOT a 1st Time User, please enter in your Wireless Cell Phone Number and your Password to enter the portal.
